BUILDING for HIS EXCELLENCE

KNOW THE FOUNDATION YOU BUILD UPON

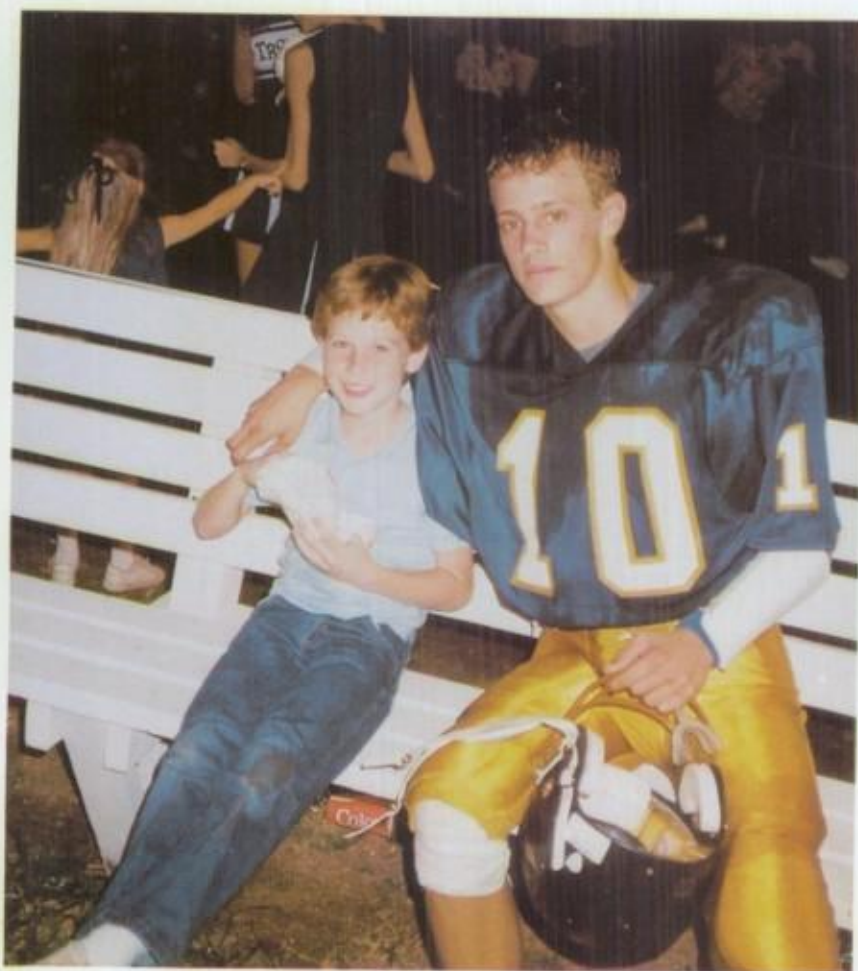

An earthquake is a natural disaster that is recognized by scientists as a mysterious phenomenon. Millions of dollars are spent annually on scientific equipment for researching earthquakes to educate the public on why they occur and for proper preventive measures to protect against their destruction. After years of expensive study, the preventive measure scientists most recommend is: "Know the foundation you build upon and make sure your foundation is solid."

Such advice needs to be applied to the life of a Christian. Like an earthquake, problems, trials, and tribulations often come upon us without warning. They last a short while or for what seems an eternity and subside only after they have left their mark of destruction. How can we prevent our home life and personal lives from crumbling in these times? We must apply the advice of the scientists. "Know the foundation

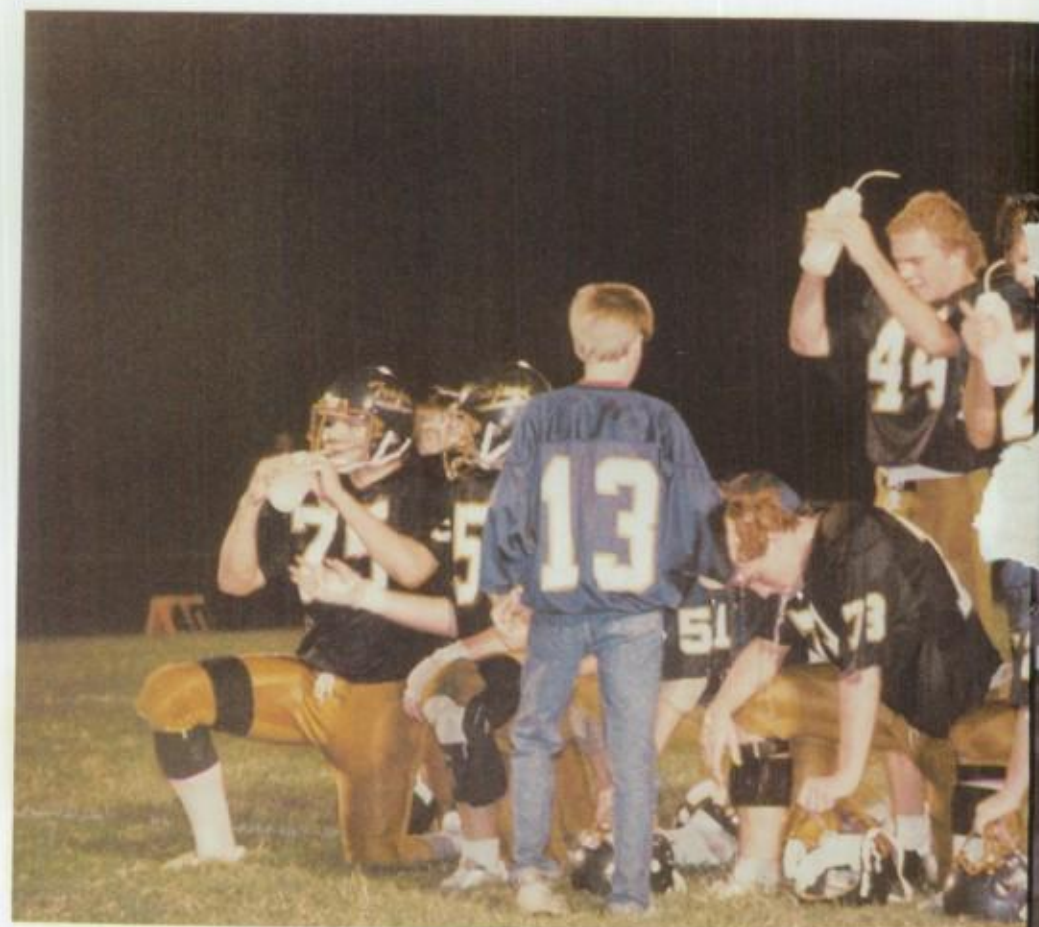

you build upon and make sure your foundation is solid." Our foundation is Jesus Christ. Yet to have stability, we must know Him. We must experientially know His grace, strength, power, love, promises, and His maturing process for Christians. And we must apply what we know. There is no question as to the stability of the foundation, yet we must choose to build upon it. We must adhere to the words of Paul: "...

As a wise masterbuilder, I have laid the foundation ... But let every man take heed how he buildeth thereupon. For other foundation can no man lay than that is laid, which is Jesus Christ."

(1 Corinthians 3:10-11)

FOUNDATION

s each year passes by, I have seen S.B.E.C. continually grow in its Christian perspectives. I have seen a major growth in students in the Lord because of the Christian leadership shown in the lives of the administration and teachers. My life has been greatly influenced because of their caring hearts and their total commitment. I thank the Lord for giving me the opportunity to attend S.B.E.C. After graduating from S.B.E.C. I know I will have grown stronger in the Lord.

Sheri Stricklin

s a Senior, S.B.E.C. has come to mean a great deal to me because of the friends I have seen come and go. As a child in elementary, I did not realize that what I was being taught and made to learn would really help me. The teachers laid the foundation of life and it's principles and I the student was in charge of building the building that the Lord wants me to build. I can either be a "laborer" who is just working enough to get by and build a cheap building or I can be the "laborer" who cares about life and is building a mansion for the Lord.

"CATCH THE SPIRIT"

signs are down, the pressure's off, and the game is over and won. All we have left are the wonderful memories of the best homecoming ever . . .

The 1986 Homecoming week started off on Tuesday when the Seniors dressed like pirates to promote "A Night on Trojan Island" On Wednesday was class day and everyone dressed alike in their class. Thursday began with such characters as Rambo, the Blues Brothers, and Raggedy Ann and Andy as twins. On

Thursday the "powder puff" games began with the "Vienna Boys Choir" as entertainment before the game, during the game and after the game . . . what a relief when those games were over. Finally on Friday after a long night spent hanging signs for many classes, we came through the doors to find many signs had fallen during the night. However everyone pitched in and began to re-hang all the fallen signs and re-gain that "Trojan Spirit". Lunch was spent "on the ground" followed with the final

battles of the powder puff games with the Juniors winning the final victory. In anticipation of the football game, the crowning of the queen and her court, and the winners of the spirit sticks resulted in a victory over Bolton. The half-time activities included the crowning of Miss Wendi Worsham as 1986 Homecoming Queen the Jr. High spirit stick was won by the 9th grade and the senior high spirit stick was won by the Seniors. Catch the spirit . . . "WE CAUGHT IT".

Once the path seemed oh so long,
The end an eternity away.
We had so many things to do,
Then suddenly, it was graduation day.

All the years then seemed but a moment.
Looking back, how fast the time did fly!
And they are but precious memories
Of many happy times gone by.

So we hold on to the memories —
The shouts, the laughter, the tears,
All the times we've shared together,
And how they brought us near,

Steve Patton is the perfect example of what Mr. S.B.E.C. should be. He exemplifies all the character qualities that are stressed in the teachings of S.B.E.C.

Seldom does a school have a student who is a born leader. Steve is that type of person. He led his class in the 11th grade to achieve many goals and his Senior year his leadership has engulfed not only the Senior Class but the whole student body.

Spiritually, he loves the Lord and uses this as a guide for his daily life. Socially, he loves to be with people and help them all he can. He is an encourager to everyone.

Robin is an extraordinary young lady and an outstanding choice for the title of Miss S.B.E.C. Not only is Robin ranked second in her class with a grade point average of 3.971, but her list of accomplishments both social and academic are overwhelming. It is obvious to her peers and teachers alike that Robin is a truly remarkable lady and a valuable asset to us here at

S.B.E.C.

The Bible says in Luke 2:52 that our Lord Jesus "increased in wisdom and stature, and in favor with God and man." Throughout her years at S.B.E.C., Robin has proved this verse true in her own life. Robin has grown and matured physically as well as academically throughout her years at S.B.E.C., while at the same time growing in the favor of her peers and her Lord.

Tom Cunningham was chosen "Class Favorite" because of his leadership ability and his friendship to his classmates. He is also a favorite on campus because of his participation on the football team and as a member of the "S" Club.

Wendi Worsham was chosen "Class Favorite" because of her friendliness and supportive efforts shown through school and class activities. She has also been a favorite because of her participation in cheerleading.

Jennifer Moseley deserves the title "Best Christian Witness" because of her loving and caring spirit. She is a friend to all and is always ministering to someone else instead of herself.

Wayne Acklen has been chosen "Best Christian Witness" because he has a servant's heart and is always encouraging his classmates. Wayne always keeps a smile on his face and lets the love of Christ shine through.

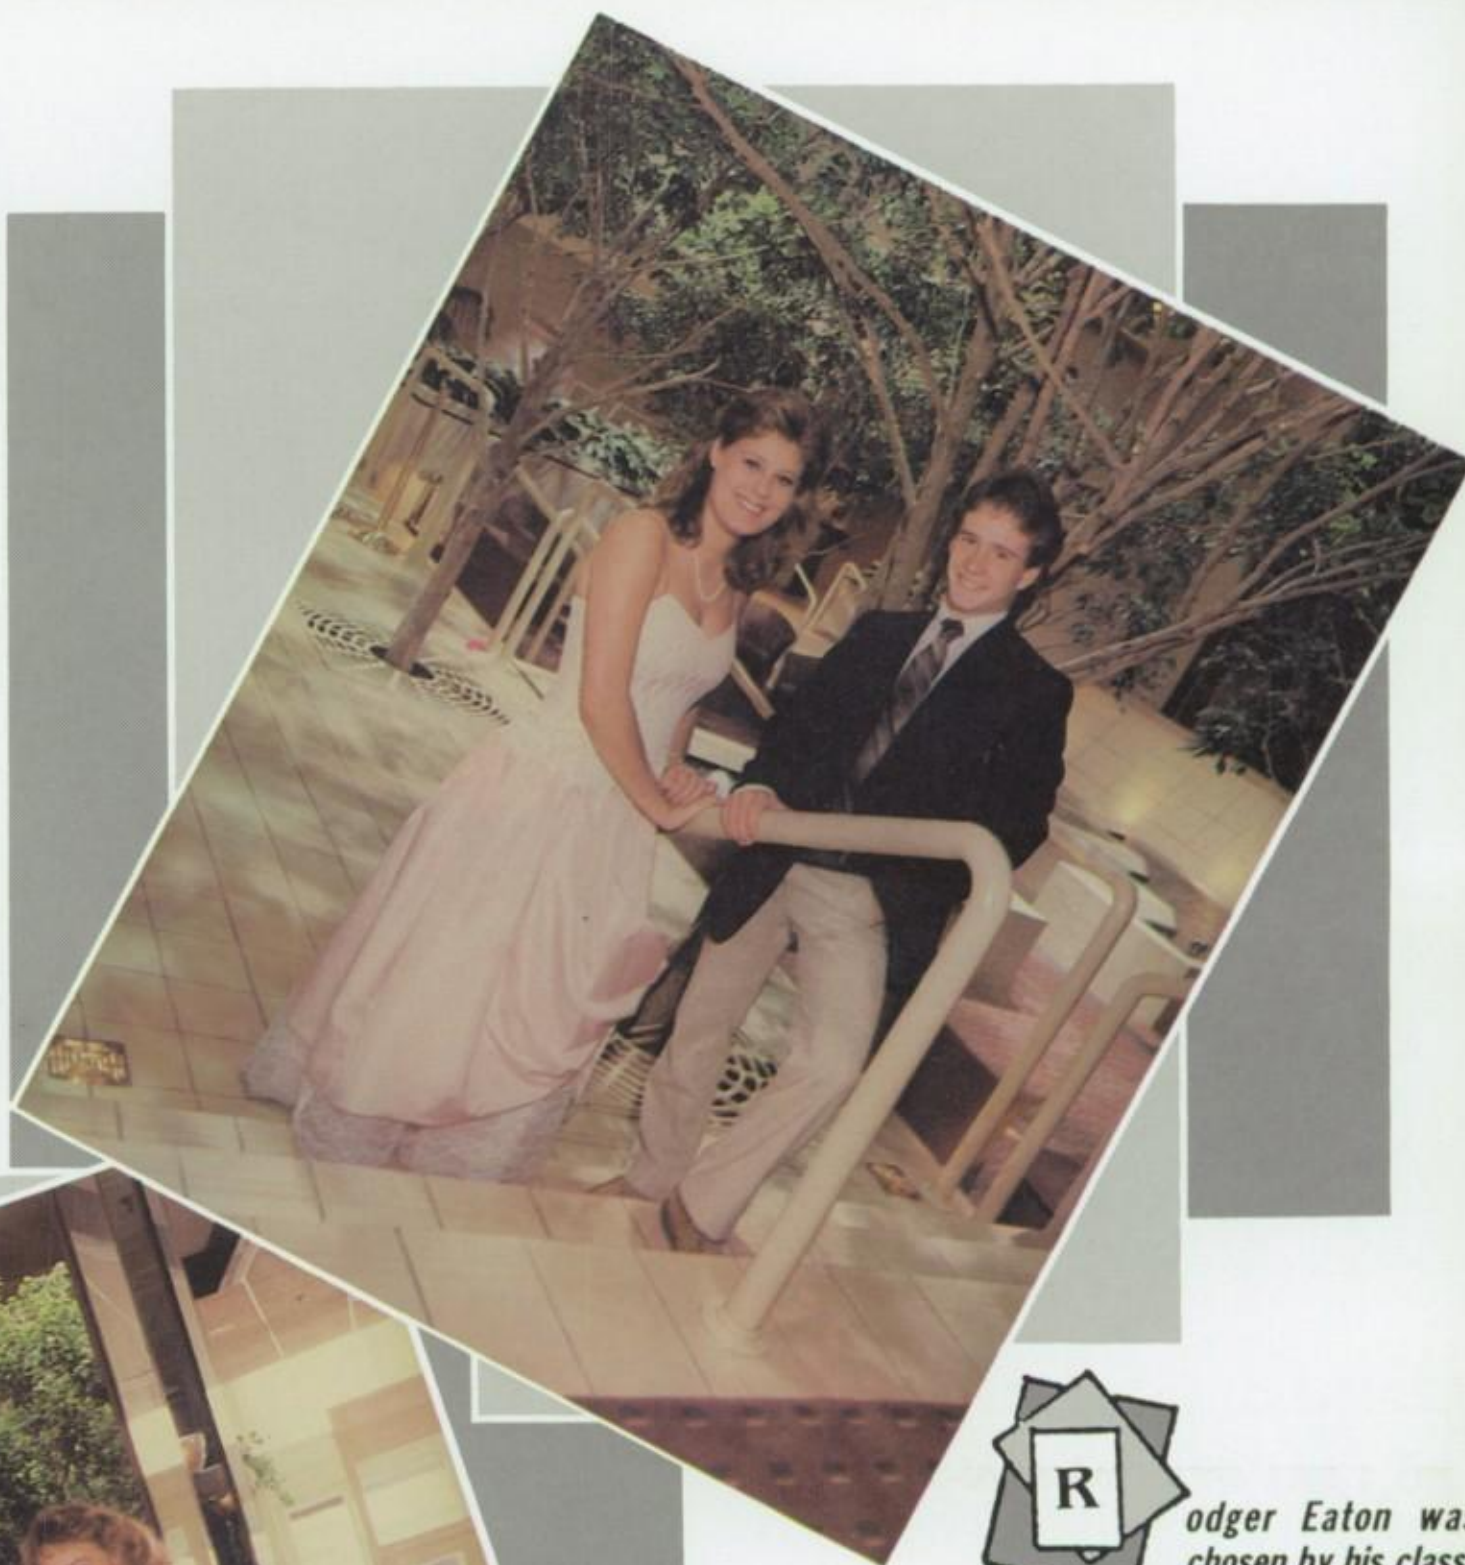

The title "Best Christian Witness" best describes Sheri Stricklin because she is always encouraging and portrays her convictions through her school activities and personal life. Sheri has been a light to follow among her classmates.

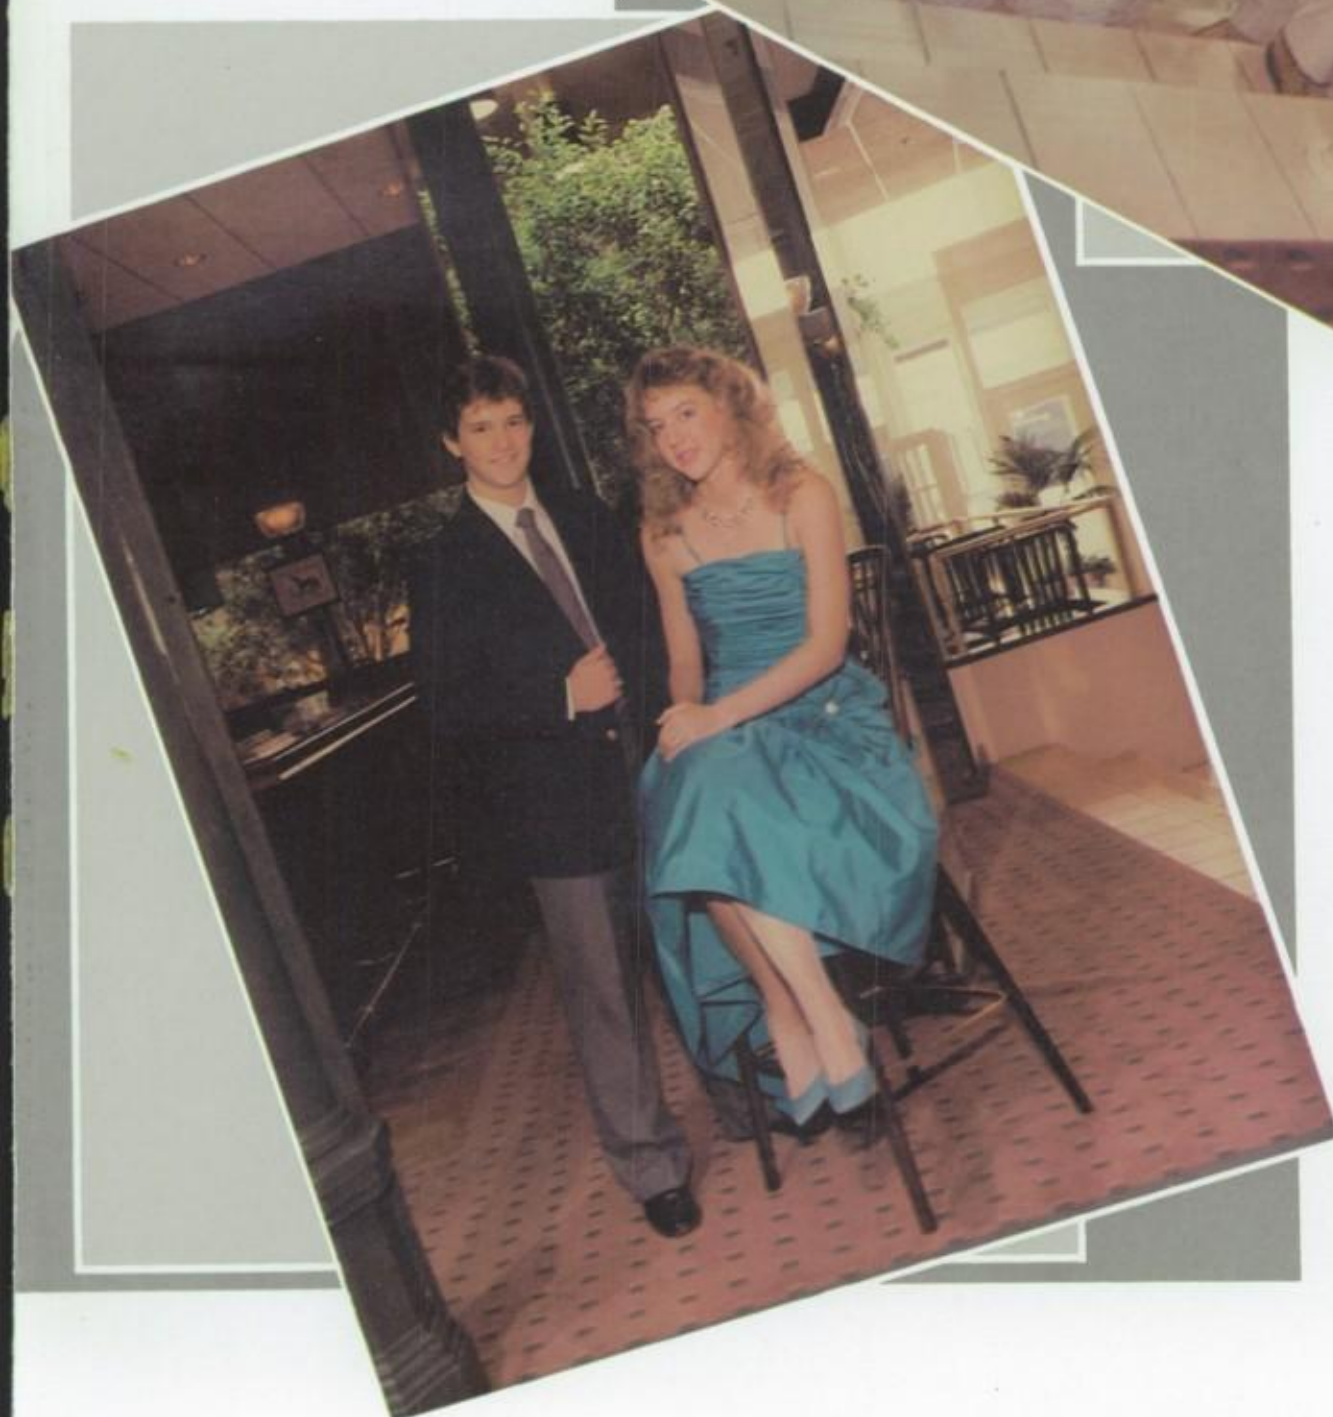

he Senior class did an excellent job of choosing John Sneed "Most Loving" because of his caring attitude toward everyone he comes in contact with. He also listens to the problems of others and is always willing to lend a helping hand in time of need. John always has a smile on his face and warm heart.

Andrea McCormack was chosen "Most Loving" because of her caring spirit and willingness to help others. She also has a warm smile and a encouraging word for her classmates. Andrea is always an enlightenment for her friends and classmates.

odger Eaton was chosen by his classmates as "Friendliest" because of his quiet and gentle spirit along with his Christian witness. Rodger is very outgoing and is friendly to everyone. He is without doubt the most deserving person for this title.

Holly Bean was chosen by the Senior class as Who's Who "Most Friendliest" because her life reflects Proverbs 17:17, "A friend loveth at all times". Holly also has a servant's heart and you can see Christ working in her life everyday. Because of her friendliness other have been touched with her warm smile and gleeming personality.

he selection of "Most Enthusiastic" by the Senior class was given to one of great zeal, Joey Eldred. Joey has displayed this exuberant enthusiasm through her participation on the cheer-leading squad, the newspaper staff, twirling and her ability to keep the class unified during a pep rally.

Doug Watson has been chosen "Most Enthusiastic" because he has been blessed with the character qualities of joyfulness, and enthusiasm — a great combination. Much of our team spirit can be attributed to Doug's ability to "fire-up" the team and lead us to many victories.

tonya Goode was chosen by her classmates as Who's Who "Most Creative" because of her outstanding ability to create for pep rallies, banquets, and homecoming festivities. Tonya has also been given this distinguished title because of her God-given talents in art and her willingness to get a job done.

For Ben Cook to be selected Who's Who "Most Creative" for our class was a slight understatement. Ben has "brightened" many of our days with his funny actions and creative ideas. He also has four years in art and they have been a stepping stone to further his ambition in the art field.

The Dar Citizen Award is given each year to a member of the Senior class who will represent SBEC in a statewide contest. The contest is held to enhance the understanding of students in the heritage and ideals of our country. Holly Bean was chosen this year because of her dedication to God, family, community, and school.

VALEDICTORIAN/SALUTATORIANS

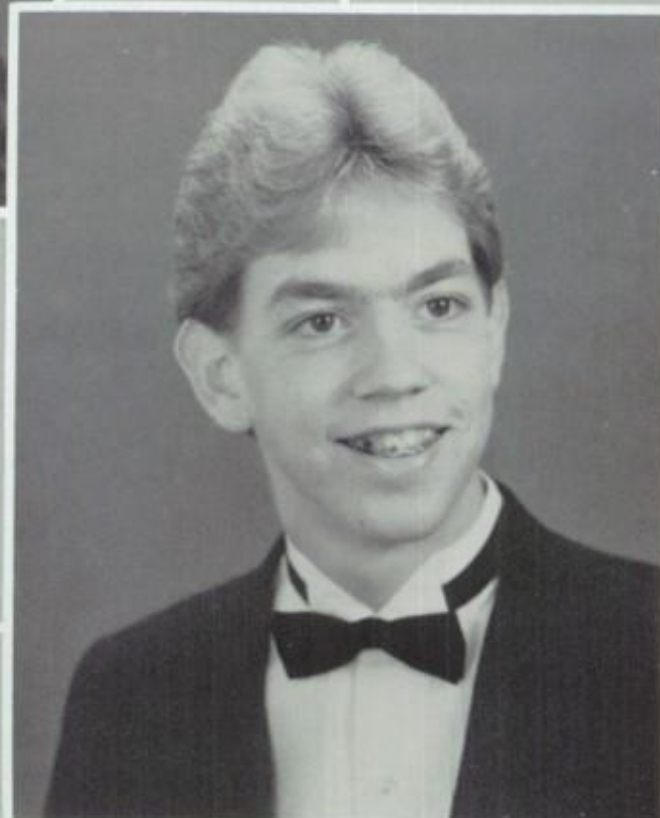

Steve Patton is a young man who has excelled in many areas of his life. As a student he has excelled in academics by achieving the highest grade point average in his graduating class. He has also had great success as president of his Junior and Senior class. His leadership has given his class two years of the most enjoyable and memorable years at SBEC.

Steve has also excelled in his spiritual life as a Christian. His desire to serve both his Savior and fellow man is a true indication of his personal relationship with Jesus Christ.

Robin Hawkins is an example of a well-rounded student at SBEC. She has a loving personality, a Christian testimony and a smile for everyone. Robin also has the diligence to succeed in her studies. Because of her faithfulness to

her studies and class work she has earned the Salutatorian award for the 1986-87 Senior Class. We look forward to hearing great things about Robin as she enters college and chooses her vocation. She will represent SBEC well in whatever she does.

Greg Hammons is indeed one of God's precious jewels! Not only has Greg been blessed with a good mind, he has also been privileged with athletic talent and leadership skills as well. His four-year cumulative grade point average of 4.000 and his being named co-salutatorian are honors that are richly deserved. Greg has never taken the "easy way out" in school. He has maintained these high standards while taking all the advanced/honors courses that SBEC has to offer. And all this while taking an active role in SBEC leadership as well. His senior year alone has been occupied as the president of the Student Council, vice-president of the National Honor Society, a varsity basketball team member, and a major cast member of this year's school production of Brigadoon. All this, coupled with handling a part-time job, exemplifies the truly outstanding job that Greg has accomplished.

HALL OF

Loved and admired by all-family, friends, and teachers — *Wayne Acklen* has certainly earned his position in the 1987 Hall of Fame. His talents and abilities are numerous. In the area of athletics, *Wayne* participated in football for two years. He excelled in wrestling by earning a district award his freshman year. *Wayne's* determination also extends into the area of leadership. He was selected tenth grade vice-president, a member of the student council for two years and chosen treasurer his senior year. In the area of fine arts, *Wayne's* artistic ability, which is outstanding, granted him the Art III award. Academically, he earned one of the top ten positions in his graduating class and a place in the National Honor Society. Most important of all, *Wayne's* contribution to SBEC has been his daily walk with *Jesus*.

Steve Patton's selection for the Hall of Fame was inevitable. The combination of talents, abilities, and character which God brought into being in *Steve Patton* made that choice certain. *Steve* not only possess outstanding intellectual ability but also has a dynamic personality with the desire to accept responsibility and leadership position. *Steve* has been president of his Junior and Senior class. He was Valedictorian of his class, selected as "Most Outstanding" in his Junior year and "Mr. SBEC" in his senior year. *Steve* has been an Honor Society member throughout high school and participated in math and chemistry tournaments at MSU. *Steve* also participated in football, basketball, and Drama club. *Steve* has been a credit to his school, a leader among his fellow students and a JOY to his teachers.

FAME

Caring quiet, efficient, and lovely disposition are just a few of the attributes which describe Holly Conner. Her willingness to serve as an office assistant during her junior and senior years has given me an opportunity to watch her as she quietly accomplishes the varied tasks in the office without being reminded. She has been a member of the National Honor Society for three years and has served as a tutor for students needing help in academic classes. Academic honors she had earned include the Spanish I Award in the ninth grade, the French I and English Award in tenth grade, and the Algebra II and Economics Award in the eleventh grade. During her senior year she has been a member of the Senior Girls Club and has served on the Advisory Committee of the Career Club. Holly is a precious young lady whose Christian life is an example to all.

Sheri Stricklin, a deserving recipient of this year's Hall of Fame, has an excellent grade point average of 3.5. Sheri is very active in school activities and she does a great job in everything of which she is apart. Sheri is serving as co-captain of the cheerleaders, and she has been on the varsity squad for two years. She was the class secretary her junior year, and is the senior class secretary. Her interest in drama was reflected because she is a member of the Drama Club, and she was in the cast of *Briadoon*.

Not only has Sheri participated in many school activities, she is also active in church and serving others. She was a member of the Christian Service Club during her freshman and sophomore years, and she was voted by her classmates as Best Christian Witness. Sheri is an active member of Broadway Baptist Church, and enjoys singing in the girls ensemble.

Over the past five years our class has matured and grown closer together. Our junior year has been great. Homecoming week everyone joined in and worked together really hard and class spirit was at an all time high. The Juniors have played important parts in all sports this year and are looking forward to a great Senior year. Our officers have worked hard all year, and made homecoming and Junior-Senior year with hopes that as Seniors we will become good role models for the underclassmen.

Being a sophomore is great and so is our second year of high school. Adjusting to new teachers and harder classes was our hardest obstacle.

As a class, we worked very hard. We put in many hours on Homecoming, and strutted around in our Class of '89" painter's hats. Our sophomore athletes made big contributions to the varsity football team basketball and baseball team.

We are proud to be sophomores and we're proud that we could take a major part in making our school a better place.

Brigadoon

A dramatic production is a major event on any campus certainly true for our production of "Brigadoon"

This play was cast perfectly. *Steve Patton* and *Shannon Crone* play the lead roles of *Tommy* and *Fiona*.

The award of best supporting actors went to *Chris Rowell*, *Joey Eldred*, and *Mr. Young*. *Chris* and *Joey* played the parts of *Jeff Douglas* and *Meg Brockie*. *Mr. Young* played the role of the

wise school master, *Mr. Lundie*.

There were also many colorful townspeople. *Jean McClaren* played by *Jenifer Moseley*, was the fiancée of *Charlie Dalrymple*, played by *Wayne Acklen*. *Greg Hammons* played *Jean's* father, *McClaren*. Some very poignant moments were provided by *John Sneed* as the bitter *Harry Beaton*. The laughs, in large part, were provided by *Rodger Eaton* as *Archie McGuffie*. *Wally Voyles* and *Sheri Sticklin* provided roles as *Frank* the bartender and *Jane Ashon*, *Tommy Allbright's* fiancée.

The cast spent many long weeks preparing the dialogue and the musical numbers. Director, *Shari Ray*, and student director, *Holly Bean*, did an excellent job and should be commended.

The play was excellent and everyone involved should be proud of their performance.

TOMMY (Steve Patton): Jeff, you're lantern is burning my finger.

CHARLIE (Wayne Acklin): "Waitin' For My Dearie"

JEFF (Chris Rowell): Darn, my fly is broken.
MR. LUNDIE (MR. YOUNG): Should we tell Chris his zipper is broken again?
FIONA (Shannon Crone): No, that will embarrass him!
TOMMY (Steve Patton): He is NOT my brother.

Don't worry Chris, only a few more hours of practice left today.

Steve and Wayne try CPR on "Harry Beaton".

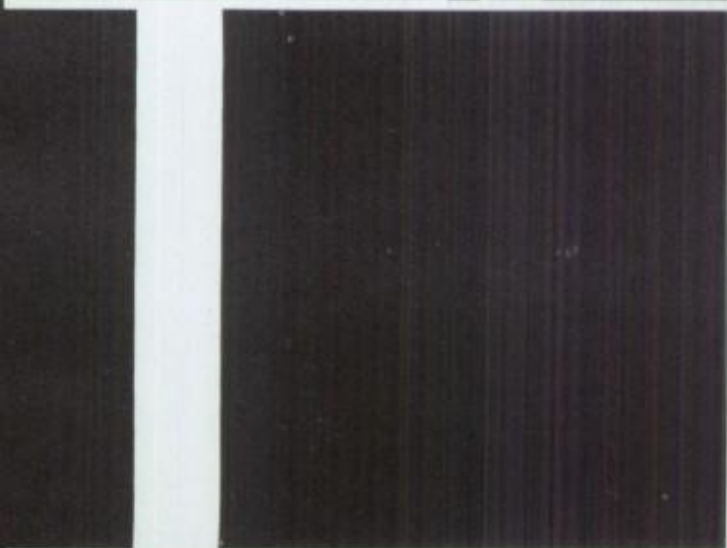

SBEC ALUMNI

The SBEC Alumni Association is growing in number and activities and has had an active year in 86-87. The new-letters have been complimented and have generated interest among inactive alumni. The annual alumni basketball game in January was preceded this year by a Faculty Reception and some of our former teachers were back on campus.

The new Alumni sponsors were Mrs. Jan Knight and Mrs. Claryece Sartain. The Alumni Association is very vital to SBEC life and its future in both support and involvement.

TORJANS CAPTURE HISTORY

PLAYOFF BERTH IS SCHOOL'S FIRST

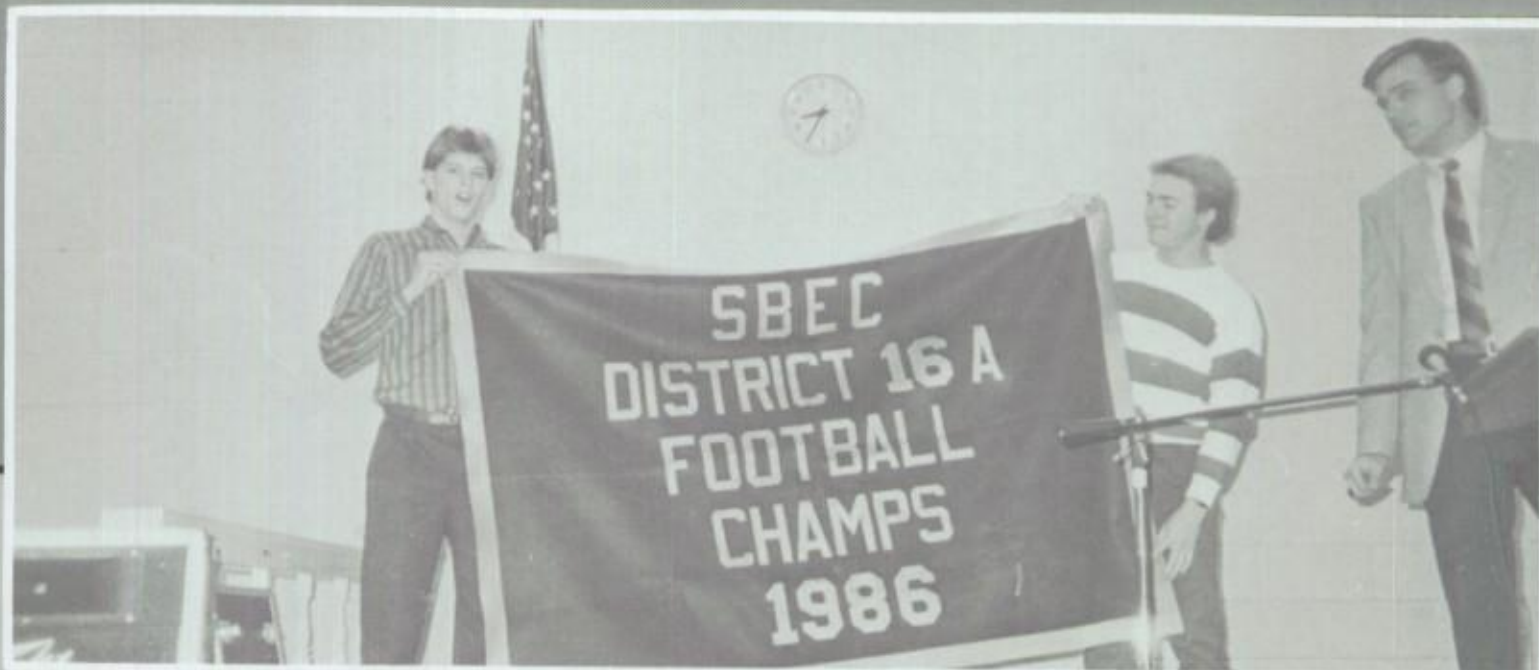

For most of the players lining the Southern Baptist Educational Center sideline, teammate Ronnie Christopher's 34-yard field goal late in the third quarter simply represented breathing room, three more points for an 11-point advantage. For SBEC fullback Blaine Anderson, Christopher's solid boot represented more.

He saw a trip to the Class A state playoffs split the uprisings. "All I could think of when Ronnie made that kick was what coach (Darry) Marshall has said so many times in practice," said Anderson. "He always told Ronnie that a field goal was going to win us a big game one day."

On the strength of Christopher's leg — and Anderson's legs — SBEC captured the District 16-A title and earned its first trip to the TSSAA state playoffs in the school's history by slipping past Westside, 17-14, last night at SBEC. Christopher, who also started at quarterback, added a 1-yard touchdown dive in the second quarter and Anderson picked up 113 yards on 12 carries, including a 65-yard scoring run on the game's first play from scrimmage.

It was Anderson's first 100-yard game and his longest touchdown of the season.

"We're really excited for the kids, but now it's like starting over for us," said Marshall, in his first year at SBEC. "Now, we're looking forward to moving on to Nashville (site of the TSSAA finals)."

The Varsity team showed much improvement and promise throughout the season. Overcoming such adversities as adjusting to a new coach, the team receive many commendations as the new season progressed. The season was highlighted by Sherry St. John being selected to the All District 1st team and April selected to the All District 2nd team. Though their record was not the best, they enjoyed playing and displayed the best sportsmanship and that is what is important. The future, however, looks good.

The 1986 golf team made school history with an impressive 18-2 record. They enjoyed their first year ever victory over *M.S.U.*, the district 29 champions. They also carded the lowest team score in school history with a 290 (2 strokes over par) in a match against *Bishop Byrne* and *Kirby*. In the Bishop Byrne Invitational, a tournament featuring Memphis' best teams, the Trojans finished in a tie for second place out of 12 teams.

COACH DEBBIE MARSHALL

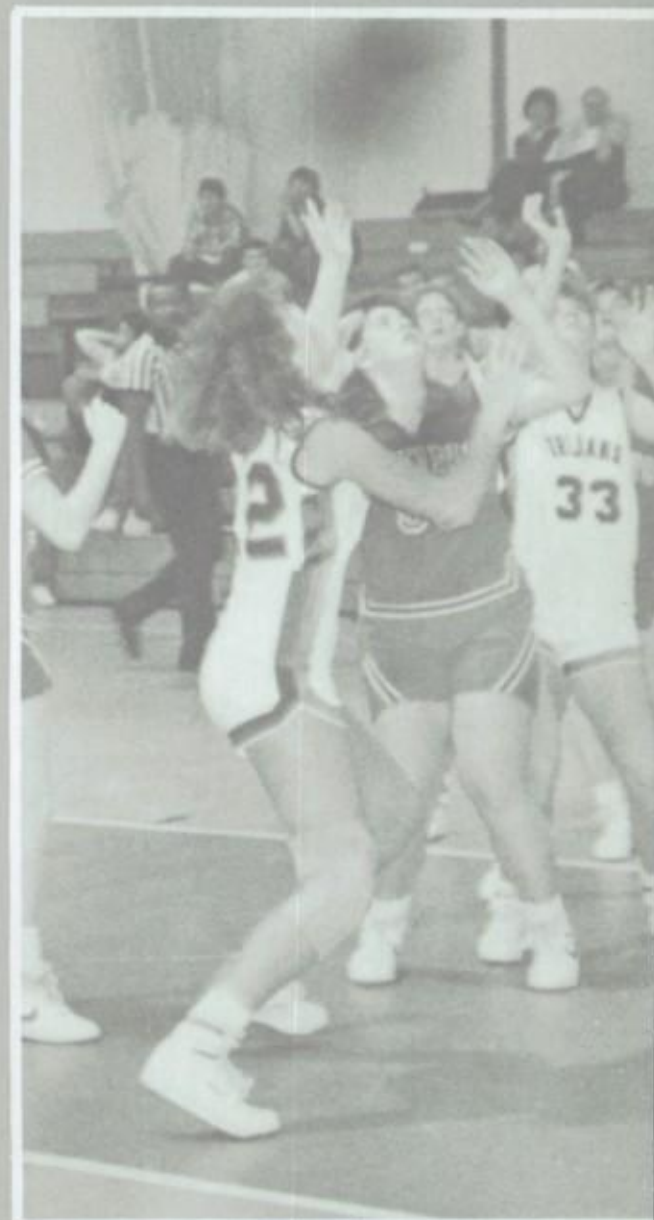

The Varsity Girls Basketball Team is improving with each ballgame. Several of the girls are doing exceptionally well; Niki West is averaging 10 rebounds a game followed by Sherry St. John with 7. In scoring, April Tutor is averaging 10 points a game.

Some of the individual highlights of this season have been Niki West scoring a career high of 22 against Harding, Ashley Brawley scoring a high game of 20 against Auburndale, and Cindy White bringing down 15 rebounds against Lausanne. Niki West also brought down 14 rebounds against F.A.C.S.

With the experience of this year and losing only two Seniors; the team should bring about a more successful season next year.

The 1986-87 Trojan cheerleading squad is one of the best that S.B.E.C. has ever seen. Under the direction of Captain Holly Bean and Co-Captain Sheri Stricklin, the girls began their season by winning the overall *Award of Excellence* at cheerleading camp and being invited to the *NCA National Championship* in Orlando. The girls have done an outstanding job.

The responsibilities of a cheerleader are planning pep rallies, cheering at games and keeping up student spirit, the cheerleaders have taken on a ministry of encouragement to each of the ball players in each sport per season. They encourage them through notes and special gifts each week before the games. The cheerleaders are a vital part of the student life here at S.B.E.C. and I am proud to be associated with them.

TROJANETTES: Left to Right: Amy Harrison, Dale Henderson, Lorraiane Rogers, Amanda Bishop, Captain, Kellie Compton, Stephanie Locke.

The S.B.E.C. Marching Trojans of 1986-87 moved in new direction this year. Some of the new look included a featured twirler, the Trojanettes, and a drum major. The Trojan Band has entered several marching competitions and competed well. On September 20, they competed at Dyersburg, Tennessee and was rated second in Class A and superior in the field commander. They were also proud to accept the invitation of playing during the pre-game show at the Ole Miss vs. Tulane game with several other bands. The largest competition the Marching Trojans had this year in Dallas Texas.

The *Freshmen class* . . . spirit, unity, enthusiasm, and willful participation in many extracurricular activities. This is what our class is all about. Our desire to achieve the goals we have set before us has proven to be a challenge to many. However, as we seek to do these things, we trust the guidance of our Lord, whose hand is always there to help us through reports, tests, hours of homework, and the dreaded exams. However, we know that nothing can stop the class of 1990, who is ready to face anything that gets in its path to success.

JR HIGH FOOTBALL

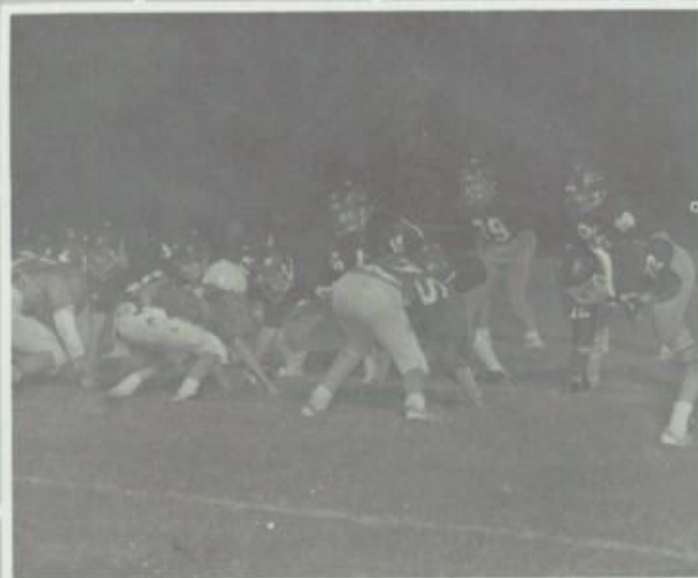

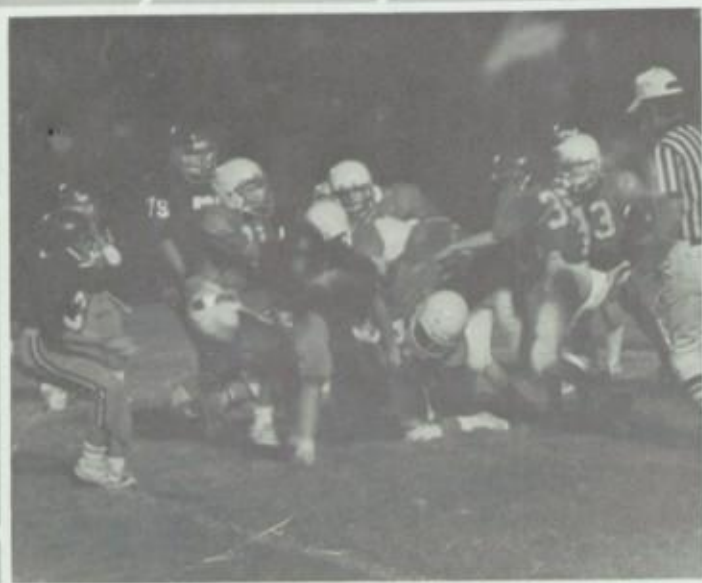

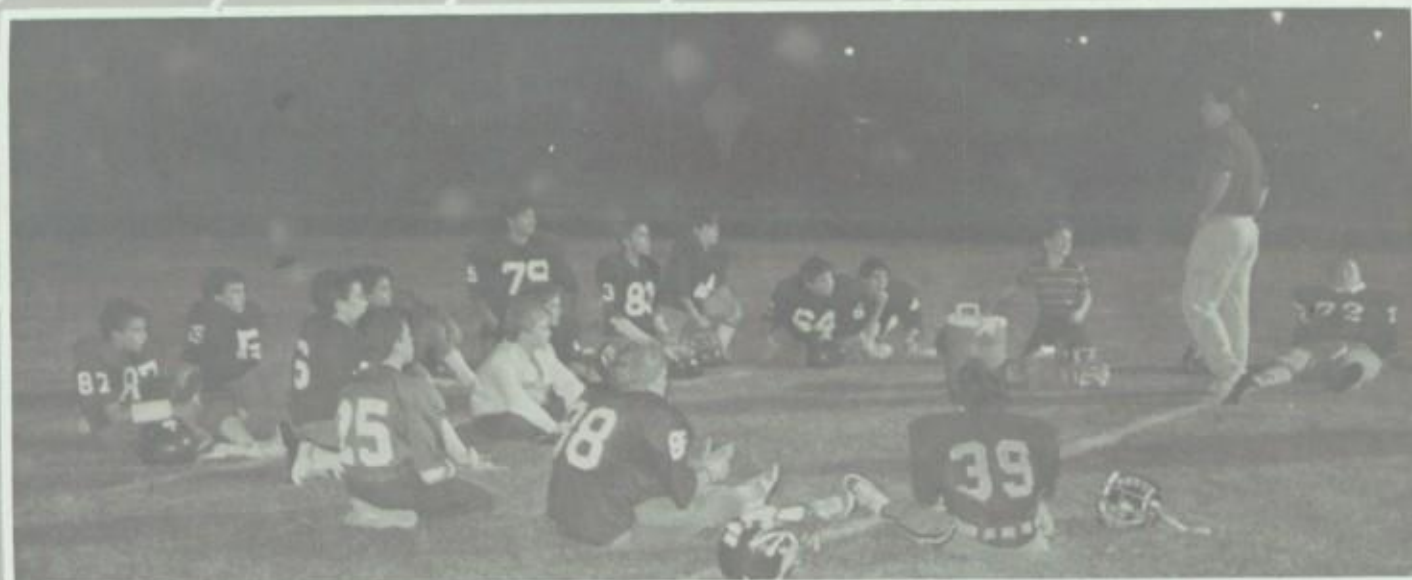

This year's *Trojan Jr. High* football was small in number, small in size, and lacking in experience, but *BIG* in heart. We only had 16 players, but they will improve the future of the SBEC football program. It was not always easy to put forth the effort when that effort didn't show up on the scoreboard. Yet those 16 young men did just that. Rest assured that the effort invested this year will pay big dividends in the future.

JUNIOR HIGH CHEERLEADERS

The Jr. High Cheerleading squad is made up of five members — Anna Kathryn Taylor, Captain; Ashley Dorrah, Co-Captain; Erinna Cavin, Kasey Dunn, and Debbie Raines.

In June this enthusiastic group attended the ACSI-NCA cheerleader camp held here at S.B.E.C. They won several awards, including excellent and superior ribbons, spirit stick, Super Star squad ribbon, and Award of Excellence nominee ribbon.

They have supported the Jr. High football and basketball teams with much spirit and encouragement, as well as adding great spirit to our varsity pep rallies.

These five individuals have truly become a "Supper Star Squad."

Perhaps one of Paul's most outstanding attributes is his quick wit and contagious sense of humor. Besides his family, one of his real "loves" in life is camping. He strickly enjoys the beauty of God's outdoors. There are many qualities that describe Paul Young — a loving husband and father, a man of great wisdom, a strong decision maker — but perhaps the greatest thing that can be said about him is that he is one of the most godly persons I know. He does not just talk about it; he lives it. Nellita Young

When I was in the 5th grade, SBEC got a new secretary. Her name was Shirley Middleton and from what I heard, she was a pretty fast typer. She worked long hard hours and I ought to know because she's my MOM and I had to wait until she finished working to go home. I really don't know what to say about her as a secretary, I only know her as MOM and I LOVE HER!

Nellita H. Young is a loving wife, a wonderful mother, an understanding helpmate, one of the most outstanding Christians I have ever known, and my best friend. TEACHERS

TEACHER IN ME

She laid down the rules on the first day of school,
And I remember how I trembled inside.
I never forgot how she expected alot,
And how she helped when I needed to try.
And one thing I learned, you must be concerned

When somebody else is in need.
So write it big on my chalkboard, how I'm thankful for

That teacher who's still living in me.

He picked up the ball, and said, "you must give your all"

If I'm going to teach you to play
You'll always win if you never give in,
That's a lesson you can rely on some-day."

How well I recall, when I carried the ball
I ran harder when I knew he could see.
And as the crowd roared, I thanked the Lord

For that teacher who was living in me.

This song cannot end, there's still stories to spin

That took place down those hallways of time

From the old one-room scene, to the architect's dream

There's a teacher who must come to your mind.

And through us they live on 'cause we pass them along,

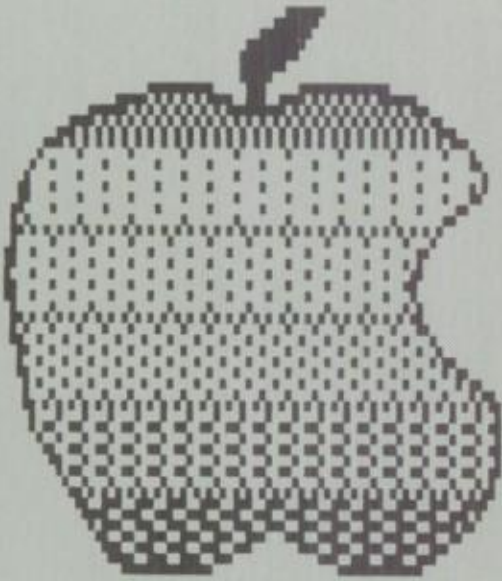

They are made of the things life should be.

So let this whole world hear, let's all stand and cheer

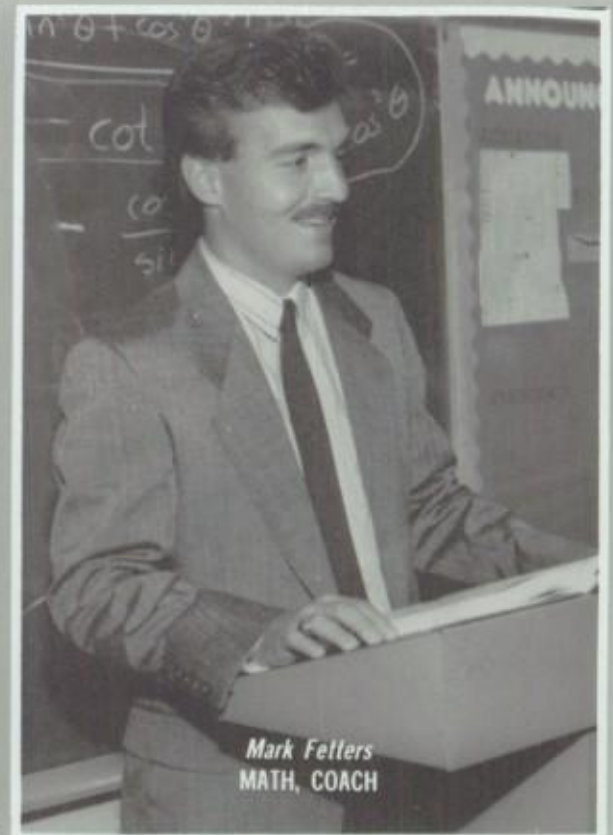

That teacher who's still living in you and me.

STUDENT

This year's Student Council has been a very active council that has accomplished many things. In the first week of school the council organized a new student luncheon for all new students. Next we began plans for Homecoming 1986-87. We organized a powder-puff football game, spirit activities and the most important activity the presentation of the 1986-87 Homecoming Queen and her court. The Student Council also sponsored a basketball homecoming in February. At the end of the year we had our annual Teacher Appreciation Day and served breakfast. This year's council also offered a \$500.00 Student Council Scholarship.

Food for Thought

by Kelly Kimberlin

The first and second graders were asked what they thought the word onomatopoeia meant. Onomatopoeia actually means the use of a word whose sound suggests its meaning, but these students had their own ideas as to what it meant. Here are their cute definitions of onomatopoeia:
"I 'thank' that it is 'pizze' with a big 'peporone'."

"It means dance."
"Something with crust."
"It means Hong Kong."
" 'Mexican' food."
"It is a 'dinosour'."
"A tiger with big teeth."
"A Bible verse."
"Chip and dip."
"A Chinese word for ten."

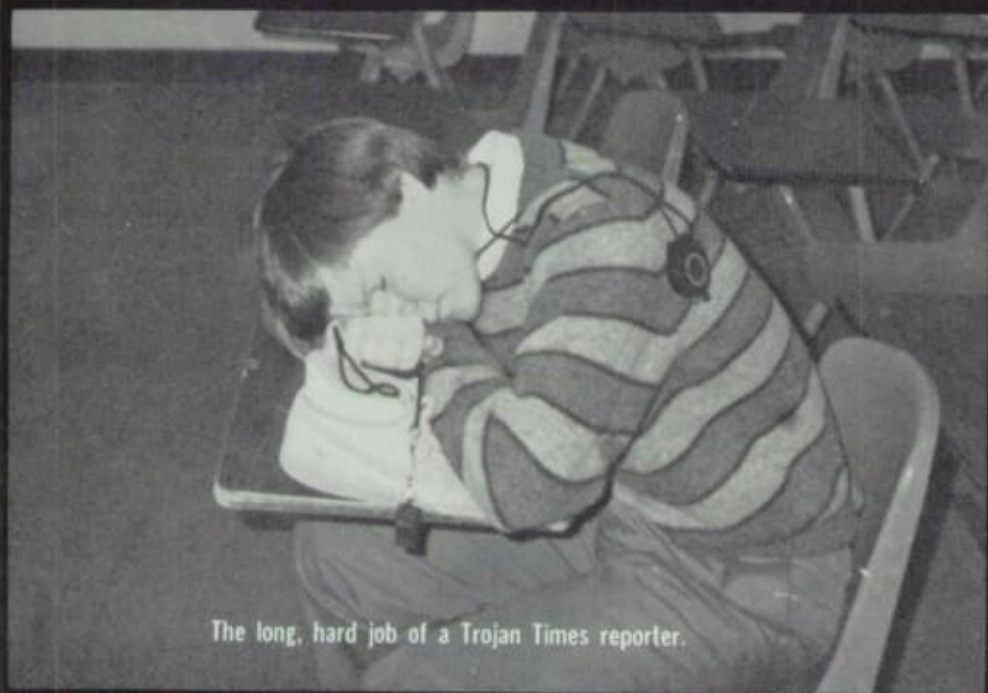

Joey and Jamie discuss the layout for the next paper.

The Dating Game by Staff

All of a sudden, when one enters high school, he or she gets a strange urge. Yes, every girl and guy would like to have or get a date. When one does not have a date, the poor souls sits at home either Friday or Saturday and mopes, wails, and contemplates about every single person who is out on a date. Never fear, fellow Trojans, the Trojan Times staff is here to help you get that date and get over the Saturday blues.

Lines Never To Use When Asking Out A Female:

1. What's your sign?
2. I can tell by that look in your eyes that you've been dying to go out with me . . .
3. What time should I pick you up? That really doesn't matter — I'll surprise you.
4. I am really excited about our date tonight. You look really beautiful — in fact, you're almost as beautiful as my ex-girlfriend.
5. Hello, love slave, today is your lucky day . . .

Places Never To Take a Girl:

1. Dog fights
2. Monday night wrestling
3. Your ex-girlfriend's birthday party
4. Anywhere your ex-girlfriend is
5. Out to eat at Central Park

Beauty Hints To Attract Males:

1. Take daily baths; at least once a week if inconvenienced.
2. Shave armpits and legs — men are not attracted to gorillas.
3. Use deodorant after heavy exercise.
4. Wear outfits that match.
5. Brush teeth.
6. Makeup is nice — don't pull a "Tammy Faye" on your date, that's just a little too much . . .

BUENOS DIAS! BONJOUR! The International Friends Club was about people and places from foreign countries. One way we learn about other countries is by writing letters to foreign teenagers, with whom we can share the gospel of Christ. Secondly, speak-

ers come to present programs about foreign countries they have visited. The International Friends also try to help a needy family that have come to America at Thanksgiving and Christmas.

Career Club is made up of people who want to know about various careers. At each meeting, a guest speaker addresses the members about his particular field. The students learn about salary range, educational requirements, benefits, advancements, work schedules, overtime, vacation time, expectations of the profession and the outlook for the future for that profession. Hopefully, this club will help students to choose more wisely their avocation.

The Fellowship of Christian Athletes is an organization founded for Christian athletes to get together and share triumphs and problems that athletes have in common. The FCA is designed to help the athlete deal with their problems through Christ, our comforter. The FCA is also a group that reaches out and shares Christ's love with those who have never heard of our Savior's saving grace. This should be the most important aspect of an athlete's life not his performance on the field. Another aspect of the FCA is the chance to meet other athletes who share a common interest Christ. This time together helps us to grow stronger for Jesus, knowing that we are not alone in our faith.

MRS. WILKINSON — ELEM. ADMINISTRATOR

Never have I seen a lady more dedicated to her profession. Mrs. Wilkenson shows great dedication and love for her teachers and students. I highly respect her and can truly say that it is a joy to work for her and SBEC.

Welcome by a ray of sunshine! I believe anyone who has phoned SBEC or has come into the office would say that Mrs. Page (Julie) is indeed a cheerful, helpful enthusiastic individual. Personally, I would add that she is also a very capable, dependable and loyal lady. She has "tackled" her job with a great attitude and shows on a daily basis, a willing and cooperative spirit. We are truly fortunate to have her as a part of the SBEC staff.

Some people think that A.C.T. is just for fun. Its purpose is to allow us to use our unique abilities for special activities and projects. We are thankful that God gave us these clever minds and we feel that we need to use them in the best way possible. A.C.T. class, taught by Mrs. Rutland, provides us many opportunities to grow and expand our minds.

CLASS OF

Sixth grade is really fun. Mrs. Tutor and Mrs. Pendergrass do things to make it fun. They teach us alot of things we need to know about the future. The most exciting thing we did was our trip to *Huntsville, Alabama* to see the *Space Rocket Center*. The little kids looked up to us and that was kind of neat. Sixth grade is not always hard, but it's not easy. I still like it because it is so much fun.

Fourth grade is a little hard but we like it. We do some things like play games to help us learn and go on field trips. This year we went to Arkabutla Dam, Pink Palace Museum, and the Planetarium. We also liked having *Jim Jagers* visit our school. Fourth graders always look forward to playing soccer and basketball. We like having different things to do during the year.

BUILDING
FOR
HIS
EXCELLENCE

Everyone joins in when Mrs. Jackson plays the piano and sings in Bible.

It's a time during the day when you need to calm down and think about Him. When your a 6th grader you can look back and think of all the things you did through the years and know you should have done something different. But now is now and you need to treasure the things you learn now and remember these things for the rest of your life

SOON RAYS

Mrs. Jackson and Mrs. Brown work with the 5th and 6th graders every Tuesday and Thursday. We march into the chorus room singing and take our seats. We practice for *Thanksgiving* programs and *Christmas* programs. We sing for P.T.E. and sometimes we sing for chapel. We tell Mrs. Jackson some of our favorite songs and we learn them. For some programs we learn how to play instruments. It is fun learning songs and people enjoy listening to us.

John, we are so proud of you. You have always been the kind of person to make any parents proud to call you their son. It is our prayer that you will always be obedient to the Lord throughout your life.

We love you,
Mom and Dad

As your dad, I will always be grateful to God for you as the greatest birthday present that one ever received. Mom and I have always appreciated and been proud of you as our son and as a Christian. Your willingness to make a stand for Christ and live a life that gives a testimony has been noticed by many and that makes us very happy. We wish you the best that Christ has to offer as you graduate and begin your life as an adult. Read Lamentations 3:25 and carry that verse in your heart.

Love,
Mom and Dad

Sheri,

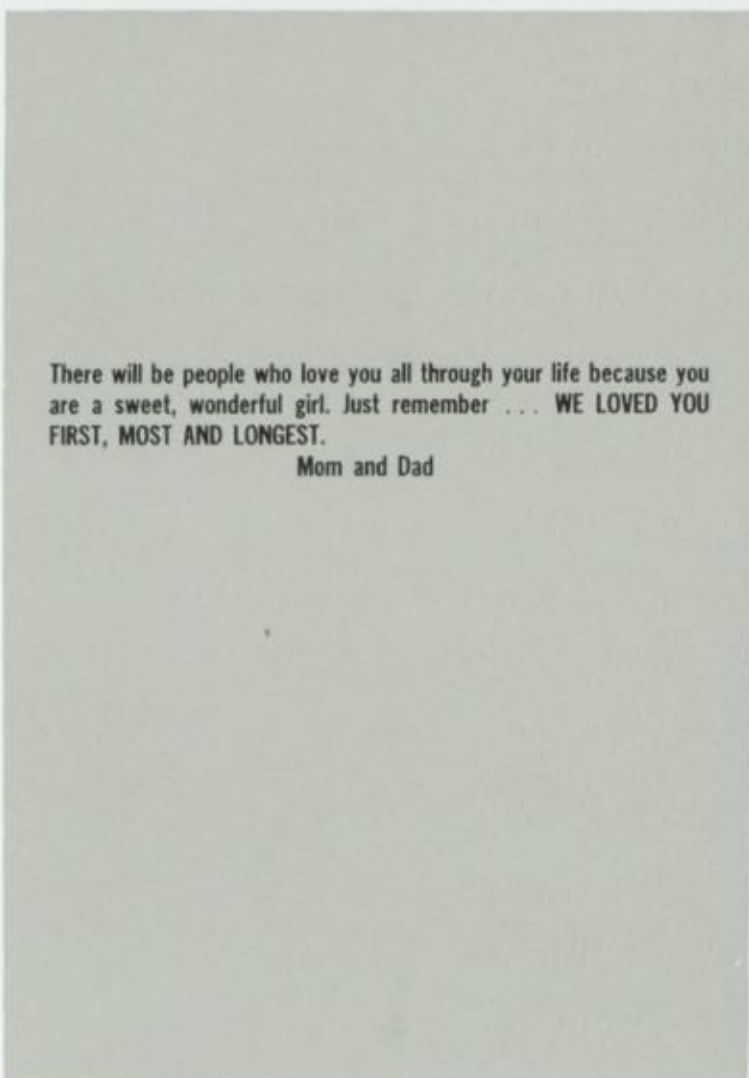

You touch many lives each day with your beautiful smile and your daily walk with Jesus. I thank God for choosing me to be your mother and for saving you as a young child. You are special and I pray you will continue to let God guide you.

Love,
Mom

Congratulations Sis. Love, Cindy

To a special girl who holds a special place in our hearts. May God's richest blessings be yours always.

Love,
Daddy, Mama, and Lisa

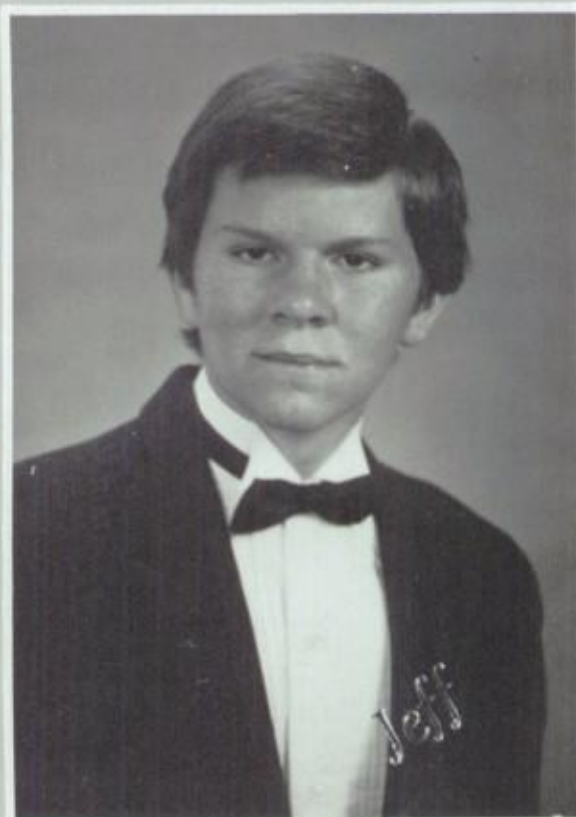

There will be people who love you all through your life because you are a sweet, wonderful girl. Just remember ... WE LOVED YOU FIRST, MOST AND LONGEST.

Mom and Dad

Congratulations Jeff. We love you very much and thank God for giving you to us. May God's richest blessings be upon your life. Proverbs 3:5-6

Love,
Dad, Mom, and
Brad

We are so thankful to God for you. We thank Him for all the wonderful times we have had together and there have been many. We pray there will be many more. We love you and will be here for you always. You have matured into a very fine, responsible young Christian man. We are very proud of you Dean. Always keep your priorities straight God first and you will have a very happy and successful life.

Love,
Mom, and Dad

C.J., it's difficult to find the words to express what you mean to our lives. How do you write on paper a warm heart, a gentle smile, a knowing trust or the evergreen love of a wonderful son and brother? We love you so very much. Only use the past to strengthen your future and always keep your heart heaven bound.

With all our love,
Daddy, mother, and
Charles

Congratulations on your graduation. We have been so proud of you and all your accomplishments in school, but we're even more proud of the character you've developed.

We love you,
Dad, Mom, and Jay

Congratulations, we love you and are very proud of you. Always let Proverbs 3:5-6 be your guide through life.

Mom, Dad, and Chris

"Praise the Lord", we made it! Shelly, we have watched you grow from a little-bity baby to a beautiful young woman and we must say, "We are Proud". Always remember who you are and that we love you very much. Jer. 32:27 "Behold I am the Lord" ... Is there anything too hard for me?"

Love,
Mama, Daddy, Stacey,
and Sondra

Whitney,

At this special time in OUR lives, your Mother and I would like to honor you and express our heart felt gratitude for being the finest daughter parents could ever have. Your obedience has been a choice on your part. Your love has always been expressed freely. How blessed we have been in having you. We will love you forever. You will always have our heart. God bless you as you move through the doors ahead. Choose them carefully and prayerfully.

Love,
Mom and Dad

Michelle,

We are very proud of you. As you continue your goals in life, stay in God's will and you will be greatly blessed.

We love you lots,
Dad, Mom and Michael

Tom,

You have filled our lives with joy and you have shown us the love of Christ. We give God all the glory for giving us such a fine son and brother that has always received our love and has loved more than any pen can write.

May you cherish the memories of these past years where you have been a true companion both on and off the playing field. Always give of your best to the Master and eagerly press toward the mark.

Dad, Mom and
Rebecca

All my love to my "Baby Boy #44"! You have made my life complete. On and off the football field, you are a "victory" for Jesus. Thanks for that last TD — what a way to end 7 years!

I love you,
Mom

Doug (Seeker of Light)

Congratulations upon your graduation. We praise God for giving us a son like you. Thank you for all the joy and blessings you have brought into our family. May the rest of your life be the unfolding of God's plan. Proverbs 3:5-6.

Love
Dad, Mom, Steven and Larry

Alice, You have developed into all any family could expect. We are proud of you and love you very much. We hope you are a success in every endeavor and are happy with yourself. God Bless You.

Mom, Dad, and Chuck

How to Have Real Peace

Peace is a gift of God that comes from within.

Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. - John 14:27

The Bible says -

Man is sinful and separated from God

Romans 3:23 For all have sinned, and come short of the glory of God.

Isaiah 59:2 But your iniquities have separated between you and your God, and your sins have hid his face from you, that he will not hear.

thus he cannot know real peace in his life

Isaiah 57:20, 21 But the wicked are like the troubled sea, when it cannot rest, whose waters cast up mire and dirt. There is no peace, saith my God, to the wicked.

but, because of God's love

Romans 5:8 But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us.

Christ died for our sins

2 Corinthians 5:21 For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him.

and if we trust in Him as Saviour -

Acts 16:31 Believe on the Lord Jesus Christ, and thou shall be saved.

John 1:12 But as many as received him, to them gave he power to become the sons of God, even to them that believed on his name.

we will have REAL PEACE.

Romans 5:1 Therefore, being justified by faith, we have peace of God, through our Lord Jesus Christ.

Philippian 4:7 And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.

Christ wants to fill His place in your life.

Revelation 3:20 Behold I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him.

WHY NOT ASK JESUS TO COME IN RIGHT NOW?
